1. The framework and much of the basic structure of the KKE is intact notwithstanding recent mass arrests. Liaison ("Contactmen") leaders and sub-leaders of KOB's have apparently been successful in avoiding arrest. As yet, for reasons of security, little effort is being made to put into operation the search for and the reorganization of the disrupted units. Nevertheless the rehabilitation and reconstruction of the Party's mechanism will take place much more rapidly than first estimates indicated.

2. A number of CDA members were arrested, and particular efforts will be made to reconstruct and reorganize units of this group. The fuller use and exploitation of women members of the Party, especially those whose husbands or relatives were arrested, will also receive particular attention.
